Subject: NASCO Conference -- Check in information
Attachments: [TEXT.htm](#) (2,619 bytes)

Good Morning --

Thank you for registering for the NASCO Conference 2007 coming up soon in Fort Worth, Texas on Wednesday, May 30 through Friday, June 1! We are working hard to present a program that will provide you with excellent information while also showcasing Fort Worth and Tarrant County.

Our conference will take place in two different locations over the three days.

On Wednesday, May 30, our opening luncheon and the first two panels will be held at the Texas Motor Speedway Club from 11:00 a.m. through 4:00 p.m. Buses will depart from our conference hotel, the Renaissance Worthington, in downtown Fort Worth at 10:00 a.m. to take you to this location. The bus will make a loop between the hotel and the Speedway club through early afternoon.

Our conference sessions on Thursday and Friday will be held at the Renaissance Worthington Hotel in downtown Fort Worth.

Because Wednesday is the first day of the conference, and because some of you may be arriving that morning, we would like to know whether you plan to first check in at the hotel in downtown Fort Worth, or report first to Texas Motor Speedway. This information is necessary for our conference registration logistical planning.

When you check in you will receive a conference badge which will serve as your ticket to all conference activities, including transportation, meals, and the welcome event at Secretary of State Roger Williams' Ranch on Wednesday evening.

So, please reply to this message and let me know where you will check in upon arrival. Will you check in at the hotel? Or will you check in at Texas Motor Speedway Club?

Please let us know so that we have your name badge and conference materials in the proper location.

Thank you for your assistance,

Linda Fulmer
Planner / Project Manager
