Subject: Re: draft letter of support for NAFTRACS

I support the idea of the letter...however...I think someone should touch base with Patrol (CV), OTSO (Bernie) and EC (Andy T) for any comments they may have regarding technologies and any potential on emerging standards, etc, just as a safty precaution.....rick

Please note phone # change

Hello!

Please see the attached. This letter would not commit you to anything. It is a draft so it could be changed a bit, if necessary. I have sent the same letter to TX, OK, and IA, the other members of NASCO. We are trying to get them by next week.

Let me know your thoughts.

Thanks,

Tiffany
