Brad:

Thank you for this. We're aware this info is circulating throughout the corridor. Absolutely crazy.

For your information, I have attached a PDF of a national mailing that I recently received - it was apparently sent out by an organization seeking to "stop the NAFTA Super Highway".

You will recall that some months ago, we had received a few media inquiries regarding this thing since it shows an alignment to Duluth.

This PDF may be helpful to your understanding about this and might be useful if we receive any more inquiries about this thing.

Sincerely,
