I have heard from Cecil, John Spacek and Tonia. None of their times are matching up. Probably the better way to do this is for me to call each of you with an update. I am waiting to hear from Rider and am finishing up some updates with John Mohler. Once I get a good update for everyone, I will contact each of you by telephone. I think it will be easier to handle this way. Hopefully, I will have the complete updates and make the calls later this week.

Thanks, and feel free to call with questions.
