Subject: NASCO retreat in September

Hello, everyone!

We are having a voluntary "retreat" (not cheesy) on September 5th in San Antonio, immediately before the Inland Ports Across North America Conference September 6-7.

We have invited the entire Board of Directors, and will be sending out a reminder next week. I am asking you, as key players in NASCO, to make a special effort to attend this retreat.

The point of the retreat is to review where we have been, where we are, where we are going, etc. Talk about our future and the role we play as the leading trade corridor coalition in North America. We have seen unprecedented growth and attention over the past three years and we need to map out how we capitalize on the leadership position we are in.

The retreat will be to strategize on our message, our initiatives, and our role in North American Trade and Transportation.

Please make every effort to attend. It will be held at the Menger Hotel - the same venue as the IPANA Conference.

I need to get a headcount very soon, so please get back to me ASAP.

Thanks,  
Tiffany
