Re: Request under Minnesota Government Data Practices Act

Mr. Hansen:

This letter is in response to your January 2nd letter in which you requested documents related to City of Minneapolis traffic cameras and other surveillance cameras. On January 17<sup>th</sup>, I had a telephone conversation with you to clarify your request and you asked specifically for information related to vendor contracts, documents that describe the locations of the cameras and documents that describe the operation of the cameras and associated systems.

I have received the attached material from Contract Management, Business Information Services (BIS), Minneapolis Police Department (MPD) and Public Works in response to your request. Each batch is labeled with the name of office that sent it to me.

Based on the number of copies, there is charge of \$50.50 for the information supplied for your request. Please find the attached invoice for further details.

Sincerely,

Craig Steiner  
Responsible Authority
